LIMBU TANYA

FRESH GRAD

Hong Kong | 6757 5270 | tanyalimbuuii55@gmail.com

Objective

Digital entertainment technology student from Saint Francis University seeking to utilize my skills and contribute to innovative projects in a team environment. Eager to gain practical experience and enhance my learning through hands-on involvement.

Education

Saint Francis University

Bachelor of Science (Honours) in Digital Entertainment Technology **GPA:3.0**

Sep 2022 – Present (expected to graduate in 2026)

Relevant Coursework

Saint Francis University | Final Year Project (FYP)

- Programmed core 3D RPG systems using C# in Unity, including player attribute structures, interactive inventory menus, and real-time combat mechanics.
- Modeled and animated 3D environmental scenes, assets, props and characters within Autodesk Maya for a cohesive game world.
- Coordinated with team members

Saint Francis University | Web design and Development

- Developed skills in creating and styling web pages
- Gained hand-on experience in HTML, CSS, and JavaScript
- Developed project that involved creating responsive websites and user-friendly interfaces

Saint Francis University | Advanced Web Application Development

- Designed and developed a fully functional 2D endless runner game utilizing C# and the Windows Forms framework
- Programmed core real-time gameplay loops, including custom gravity-based jump physics, random obstacle-spawning algorithms, and precise bounding-box collision detection.
- Implemented event-driven architectures using timers and key input triggers to handle live score tracking, and real-time sound effect

Work Experience

Civil Service Bureau | Summer Intern

Innovation and Technology Commission (ITC) **Jun 2026 – Aug 2026**

- Conducted system testing to detect bugs and ensure software quality
- Authored detailed UAT reports documenting system defects and user feedback
- Designed and structured PowerPoint presentations to communicate project status
- Processes application files to streamline administrative workflows and data management

Civil Service Bureau | Summer Intern

Working Family and Student Financial Assistance Agency (WFSFAA) **Jun 2025 – Aug 2025**

- Collaborated with colleagues to create engaging promotional videos highlighting application requirements
- Participated in weekly meetings with supervisors to discuss project progress, gather feedback, and strategize on initiatives.
- Gained valuable insights into team dynamics and project coordination within a governmental agency setting.

ISSHK HOPE Centre | Part-time Intern **Nov 2024 – Jan 2025**

- Designed promotional posters using Canva
- Assisted with administrative tasks to support team efficiency
- Collaborated with staff on various on-site and outreach activities
- Created engaging Instagram reels to promote the organization's initiatives and events.
- Utilized Excel for data management and analysis, contributing to program tracking and reporting

Skills

- Microsoft Office: Word, Excel, PowerPoint
- Video Editing: CapCut, Canva, Instagram Reels
- Programming languages
- Willingness to learn new skills
- Ability to prioritize tasks and deadlines
- Team player

Languages

- Fluent in English, Nepali, Hindi
- Intermediate in Cantonese
